Thunder Bay Charity Casino

### Casino Rama Resort, Orillia, Ontario

This 200,000 square foot facility consists of gaming spaces, food service, staff facilities, retail, circulation and administration. It includes a gaming centre which houses over 2,000 slot machines and 21 gaming tables. A predominant feature of the structure is the exterior art wall, a striking montage of native art. Other key features include the "Circle of Nature" exhibit, a waterfall and the glass wall counting room.

### Casino Sault Ste. Marie, Sault Ste. Marie, Ontario

This is a new sprung 63,000 square foot structure and interim casino. The gaming floor is 35,000 square feet. The facility consists of 450 slots, 21 tables and a 100 seat restaurant as well as a kitchen and back of house services.

### Casino Windsor, Windsor, Ontario

This project consisted of a gaming expansion to the existing racetrack facility of 12,000 square feet and a renovation to the original 26,000 square foot slot facility. Construction was carried out in phases to maintain facility operation.

### Great Blue Heron Charity Casino, Port Perry, Ontario

This study for conversion of existing bingo hall to 460 slot gaming facility included an expansion of back of house offices and facilities.

### Niagara Falls Interim Casino, Niagara Falls, Ontario

This 240,000 square foot interim casino includes gaming spaces, food service, staff facilities, retail, circulation and administration. Within the 96,000 square foot gaming centre, it houses 3,000 slot machines. Construction involved the 40,000 square foot modification of the old Maple Leaf Village shopping mall with significant additions which included the Falls Avenue Atrium and the rear high bay space which houses two casino areas.

### Niagara Fallsview Casino Resort, Niagara Falls, Ontario

This 23 acre site overlooking the Horseshoe Falls is a new generation of entertainment facilities. It features a total of 2,500,000 square feet with a 130,000 square foot gaming area, a 120,000 square foot retail and entertainment complex with theme restaurants, and in the future, will feature a monorail station within the complex. In addition, there is a 368 room hotel with 100,000 square feet of meeting facilities and a 1,500 seat live theatre. The complex is served by a 3,000 car partial underground and 9 level above ground parking garage.

### OLG Brantford Casino, Brantford, Ontario

This 95,000 square foot project consisted of the complete development of the building and site to house a new gaming floor, grand staircase, bar and cafeteria, staff and money areas and office space. Work included two new escalators, a new elevator, a new structural mezzanine, 450 slot machines, 450 table player positions, a 450-car parking lot and a new east entrance and bus canopy.

### Thunder Bay Charity Casino, Thunder Bay, Ontario

This 51,000 square foot facility includes a 13,500 square foot gaming floor for 4,500 slots and 10 tables.
