HOTELS

Atlantis Resort, Palm Island

Burj al-Arab Resort Hotel

Marriott Hotel, Eaton Centre

Niagara Fallsview Casino

Ritz-Carlton Hotel (Simcoe Centre)

Atlantis Resort, Palm Island, Jumeirah, Dubai, United Arab Emirates

This five star resort hotel includes 2,000 rooms with adjacent conference facilities for 4,000 people, restaurants, entertainment facilities, shopping concourse and spa. The Coral Tower is a 1,200 room four-star resort facility, featuring specialty restaurants, pools and other amenities.

British Colonial Hotel, Nassau, Bahamas

This project involved the reconstruction of this 300-suite hotel originally built in 1923 to restore its grandeur and benefit from modern mechanical systems.

Burj al-Arab Resort Hotel, Dubai, United Arab Emirates

This 200 suite facility is the world’s tallest hotel at 321 metres high and is built on a man made island.

Casino Rama Resort, Orillia, Ontario

This casino facility includes a 289-room 4 star, 368,000 square foot hotel.

Embassy Suites, Markham, Ontario

This hotel includes 360 suites, ballrooms, banquet halls, health club, and restaurants.

The Emirates Hotel, Dubai, UAE

These 702,000 square foot 50 storey twin towers consist of office space, a 420 room hotel, two levels of concourse retail, and a parking structure for up to 1,800 cars.

Marriott Hotel, Eaton Centre, Toronto, Ontario

This hotel includes 450 rooms and a traditional restaurant and function room facilities.

Mazagan Resort, Morocco

This 500 room resort includes a casino, a conference centre, a spa and a golf clubhouse. Work on this project consisted of the design development of chilled water system, heat reclaim for the swimming pool heating system, and hot water heating, plumbing and fire protection for the air handling unit.

Newstead Hotel, Hamilton, Bermuda

This project consists of the renovation and refurbishment to existing waterfront cottages including a total of 23 suites. It also includes the addition of 80 new suites in a separate building as well as the rebuilding of the waterside pool, a new 50 seat restaurant with full service kitchen, spa, laundry and new sewage treatment facility.

Niagara Fallsview Casino Resort, Niagara Falls, Ontario

This casino, convention centre and retail development also includes a 368 suite hotel, designed to Hyatt’s standards.

Park Plaza Renewal, Toronto, Ontario

This renovation of the landmark Bloor Street Hotel included the complete design of 272 rooms, a major ballroom, function rooms, three kitchens, three restaurants, 7,000 square feet of retail and 10 floors of office space.

Ritz-Carlton Hotel (Simcoe Centre), Toronto, Ontario

This five star hotel attached to the Simcoe Centre includes 267 rooms and suites, five levels of underground parking, ground floor services, a 2nd Floor restaurant, a kitchen, exercise facilities, meeting rooms, a ballroom, a 23,000 square foot luxury spa, a pool and lockers.
